Pyramidal Arborvitae.

CONIFEROUS EVERGREENS

The greatest advantage of using Evergreens in beautifying the home grounds is that Evergreens retain their foliage the year around. By planting the proper varieties in their proper places wonderful results can be obtained with but little expense. It is necessary however to plant evergreens [redacted] get ample sunlight that they may show their true colors. If you [redacted] with the planting of evergreens and wish to plant at this time it [redacted] re for us to furnish you with such information you may wish to he[redacted] esired results.
